Dear Sir:

I have become increasingly alarmed about the Communist menace to the United States. I have been doing my best to educate myself about the Communist Party. I have read your book "Masters of Deceit" and wish to congratulate you for an outstanding job.

I next read Dr. Fred Schwarz' book "You Can Trust the Communists", which was also very informative. I would like to do something constructive in our fight against Communism. Unfortunately each time a new organization or group springs up, immediately it is attacked as UnAmerican, ultra conservative and possibly even a Communist Front organization.

After looking at the list of such organizations on the Department of Defense's "Certificate of Nonaffiliation with Certain Organizations" DD-48-1 I'm scared to death of joining any organization or even contributing to its support.

Dr. Fred Schwarz's "Christian Anti-Communist Crusade" appears to be a bona-fide attempt to educate us to the dangers of Communism and I would like to help support their work and possibly even join their organization. The purpose of my letter is this: Is this organization considered to be subversive or detrimental to the interests of the United States of America and would you recommend it as a worthy organization that I might join without getting into trouble with the United States Government?

I don't wish to put you on the spot, but I'm sure you can understand my concern. I'm currently being cleared for the United States Industrial Security Program and I don't wish to jeopardize my standing and become a Security Risk.

Yours truly,

As far as [] could determine, the members of the convention consisted of ministers of the Pentecostal Church, students, John Birch Society members and extremists of the so-called "right wing." He said that the Minute Men organization had never had any political meetings but had come into being in order to learn about and meet a communist conspiracy in the United States. He stated that the purpose of the Minute Men was to train people to act in the event the Russians attempted to take power in the United States. He also said that the Minute Men had 25,000 members in the State of Missouri, and 50,000 members in California. [redacted] also remarked that his organization was engaged in buying complete gas masks and other surplus military goods and that many of his members had arms and ammunition. [redacted] denied that his organization consisted in any way of being an army for the reason that the organization had no chain of command, no pay or remuneration for troops, no communication system and no direction.

SUBJECT: DR. FRED C. SCHWARZ
CHRISTIAN ANTI-COMMUNIST CRUSADE

BACKGROUND:

By airtels of 1-29 and 1-31, the Los Angeles Office has submitted newspaper clippings from Los Angeles newspapers which have dealt with California Attorney General Stanley Mosk's criticism of Schwarz and his group. In the January 28, 1962, issue of the "Los Angeles Herald-Examiner," Mosk attacked Schwarz who was planning to conduct a school for anticommunism in Oakland. The January 26 issue of this newspaper carried an item revealing that Mosk was under criticism for a blast at a scheduled school of anticommunism and his "rebuke" of mayors in the San Francisco Bay area who signed an anti-communism proclamation. He was criticized by Assemblyman Bruce V. Allen, a candidate for Attorney General and the political opponent of Mosk, as well as San Francisco Mayor George Christopher, who seeks the Republican nomination for Lieutenant Governor. Allen accused Mosk of consistent attempts to "hang a controversial tag on all those who have the courage to openly fight against Communism," and called on the Attorney General to "point a constructive finger at Gus Hall ... who is speaking in Berkeley next week." Christopher stated, "If his (Mosk's) method is proper, then what are we to say about his alignment in this matter with Gus Hall, secretary general of the Communist Party in America? It would please me more if Mr. Mosk would, instead, align himself with J. Edgar Hoover and others, in both political parties, who stand firm against the dangers of Communism."

INFORMATION IN BUFILES:

Bufiles contain no identifiable derogatory information regarding Bruce V. Allen. We have had cordial relations with Mayor Christopher.

[redacted] and American Youth for Democracy. We have had difficulties in the past with Mosk regarding the differences between the Bureau's crime statistics as published in the Uniform Crime Reports bulletin and the California statistics for crime published by the State of California.

By letter of 12-4-61, Mosk inquired about Dr. Schwarz and five other individuals, four of whom were former confidential informants and one was a former Bureau employee. Our relationship with the other individuals was briefly set out. He was informed that Schwarz had never been an employee of this Bureau nor had he served in an informant capacity. Mosk's letter was prompted by a conversation he had with President Kennedy in Los Angeles on November 18 at which time the President told him if he would send the names of irresponsible persons identified with the extreme anticommunism element, the FBI would tell him whether the individual was ever in the FBI and whether their separation was voluntary, by dismissal or under honorable or dishonorable circumstances.

Dear Sir:

We have recently formed a local group which is studying communism, its ideology & methods. Our objective is to gain a knowledge of this subject in order to become better citizens & more useful in combating international communism.

One apparently good source of anti-communist literature, tapes & movies is the Christian Anti-Communism Crusade directed by Dr. Fred C. Schwarz, however, this organization has been attacked lately by our State Attorney General & other high State officials. These officials haven't as yet, substantiated their charges to our satisfaction. However, we feel that we should further investigate our sources of material by contacting the U.S. Attorney General, Senate Internal Security Committee, House Un-American Activities Committee & your organization.

We do not wish to become associated with what is presently referred to as the "radical right wing". Without endorsing the Christian Anti-Communism Crusade, do you feel that there is anything harmful to our American way of life contained in its literature, tapes, or films? Can you suggest any other sources of material that would be suitable to our purpose?

Respectfully

Dear Mr. Hoover:

Through your very fine book Masters of Deceit I have become deeply concerned about the threat of communism to our great nation. I have done further study through government publications and other references and am now convinced that anti-communism work must be done.

Enclosed is a clipping from today's Times-Picayune of New Orleans, Louisiana. In it you are quoted as criticizing "self-styled experts on communism". I am now involved in plans to bring Mr. W. P. Strube, Jr. of Houston, Texas here to Lafayette for a seminar with the Christian Anti-Communism Crusade. Would you please give me your comments concerning this organization? We want very much to bring an educational source to this community and feel that Dr. Swartz's organization is valid and rational. However, we are aware, too, that it is always best to check any group ^{for} sponsors and would greatly appreciate your discussion of the Christian Anti-Communism Crusade by return mail. I am enclosing a small booklet on "What Is The Christian Anti-Communism Crusade?"

I am enclosing a stamped self-addressed envelope for your convenience.

May I say in closing that America is in a desperate need of more great men like you.

Very truly yours,

FBI Chief Decries Name-Calling, Attacks 'Experts on Communism'

CHICAGO (AP) — J. Edgar Hoover criticized "self-styled experts on communism" Friday and decried "extravagant name-calling."

The director of the Federal Bureau of Investigation did not identify his targets by name but he stated: "Today far too many self-styled experts on communism are plying the highways of America giving erroneous and distorted information."

He also set forth in an article in the American Bar Association's Journal: "Our fight against communism must be a sane, rational understanding of the facts. Emotional outbursts, extravagant name-calling, gross exaggerations hinder our effort."

The FBI chief maintained that the nation needs enlightenment about the Communists. But he suggested, it should be factual and accurate and presented with "more light and less heat."

Hoover said many non-Communists legitimately may take positions on issues which also are held by Communists.

"Their opinions, though temporarily coinciding with the party line, do not make them Communists," he added. "We must be careful with our facts and not brand as Communists any individual whose opinion may be different from our own."

Hoover lauded the American Bar Association's program to combat communism by education.

He counseled Americans against adopting the Communist attitude toward law and order.

"Cries for legal shortcuts, vigilante methods, and less reliance on legal processes, though based on the most patriotic of motives, are most shortsighted. These would undermine our cause," he added.

Dear [redacted]

Your letter dated February 17th, with enclosure, has been received, and I appreciate the concern which has prompted you to write.

In response to your inquiry, the FBI is strictly an investigative agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual.

Too many self-styled experts on communism, without valid credentials and without any access whatsoever to classified factual data regarding the inner workings of this conspiracy, have engaged in rumormongering and hurling false and wholly unsubstantiated allegations against people whose views differ from their own.

The Communist Party in this country has attempted to infiltrate and subvert every segment of our society. However, the Party's efforts are being thwarted by the FBI's internal security programs, by investigation, arrest and prosecution of Party functionaries, and by widespread, intelligent public opposition to the communist philosophy. These achievements are being accomplished through orderly, legal procedures.

I am certain you share my belief that if we are to effectively resist the eroding influence of subversion all of us must continually exhibit in positive ways the value and superiority of our form of government over any foreign ideology. I am enclosing some material which I hope will better equip you to fight the communist menace.

Sincerely yours,

My dear Mr. Hoover:

I am imploring you to help me out of the confusion
I find myself in.

The Christian Anti-Communism Crusade came here.
Before they were to start their school, a list of clergymen had a
piece in the newspaper voicing their objection to this group. I
heard Dr Fred Schwarz, Herbert Philbrick, the author of "The
Naked Communist," and others. I couldn't for the life of me see what
the clergy was objecting to. I felt it was the first time I have heard
such good common sense, such honest facts and such a genuine effort
to help us gain knowledge about how the Communists work their
strategy to conquer and enslave the world. I became terribly
confused trying to figure out what it is these clergymen were
against in Dr. Schwarz's efforts.

Then I read the enclosed clipping and I was really
confused.

Mr. Hoover, I love my country: I am a proud citizen of
the United States. I want to do anything I can to help. Whom can
we listen to? Who are the right people to tell us what should be done?
How can we tell when we are listening to the right people? If I am so
completely befuddled, and I am in my sixties, what a mess our young
people must be in. Isn't there something you can do to clarify the
situation for me? Please do. I have to know what I am doing.

Respectfully

~~'Self-Styled'~~ Red Experts Hit By F. B. I. Chief

CHICAGO, Feb. 16.—(A.P.)

—J. Edgar Hoover, director of the Federal Bureau of Investigation, said today "far too many self-styled experts on Communism" are giving out erroneous and distorted information.

In an article in The American Bar Association Journal, Hoover said:

"Our fight against Communism must be a sane, rational understanding of the facts. Emotional outbursts, extravagant name-calling, gross exaggerations hinder our effort."

Hoover did not identify his targets by name.

Hoover said the nation needs enlightenment about Communism but the information should be accurate.

"We need more light and less heat," he added.

Hoover said many non-Communists legitimately may take positions on issues which also are held by Communists.

"Their opinions, though temporarily coinciding with the party line, do not make them Communists," he said. "We must be careful with our facts and not brand as Communist any individual whose opinion may be different from our own."

Dear Mr. Hoover: *Christian Anti Communist Crusade*

We are conducting a study group here in Blair, Nebraska, of adults who are interested in Russian vs. American systems of government, education, etc.

We are using some of Dr. Fred Schwarz's material, and in view of some of the unflattering publicity given him by newspapers and magazines, I am asking that you give us a statement as to whether or not he is cleared by the F.B.I. Many of the study group members are confused as to whether he is being smeared, or whether there are actual grounds to discredit him.

Anything you might have to say would be most appreciated.

Dear

I have received your letter of February 17, 1962, and want to thank you for your interest in writing.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope you will not infer in this connection either that we do or do not have data in our files relating to the subject of your inquiry.

With regard to the matter you mentioned, I would like to point out that the Communist Party in this country has attempted to infiltrate and subvert every segment of our society. However, the Party's efforts are being thwarted by the FBI's internal security programs, by investigation, arrest and prosecution of Party functionaries, and by widespread, intelligent public opposition to the communist philosophy. These achievements are being accomplished through orderly, legal procedures.

Too many self-styled experts on communism, without valid credentials and without any access whatsoever to classified factual data regarding the inner workings of this conspiracy, have engaged in rumor-mongering and hurling false and wholly unsubstantiated allegations against people whose views differ from their own. This makes more difficult the task of the professional investigator.

In view of your concern, enclosed is some material on the menace of communism I hope will be of assistance to you.

Dear Sir:

There was an article in this mornings Seattle Post Intelligencer headlined Feb 16, Chicago - (AP) - stating that you criticized "self-styled experts on communism."

I have been considering giving my support to the Christian Anti-Communist Crusade which just terminated a series of lectures at the Puget Sound School of Anti-Communism.

I am sure you know the men who lectured. Mr. Fred Schwarz, Mr. W. Cleon Shousen, Herbert Philbrick to name just a few.

Since I don't know a great deal about this organization or any of the others that are springing up around the nation. I would like to know how the individual citizen can tell the difference between an organization whose purpose is deserving of merit and one that is not.

It is obvious that at the present time all organizations have been lumped together by the press & the government. It would be most helpful to the public if the organizations were carefully examined and the results made known.

It is not right to assume that all these organizations are no good because of a few that are out of line.

The anti communist organizations that are doing a good job should be given the help they need and by so doing the people who un-knowingly belong to a group giving distorted & erroneous information would more than likely leave these and support one giving the true facts.

Honorable J. Edgar Hoover, Director

Dear Sir:

I am quite sure that you receive a great deal of inquiries similar to this but I can assure you that this inquiry is not an idle one with me.

I am enclosing a clipping from the "Houston Chronicle", which is self-explanatory. I have been contributing to the Christian Anti-Communist Crusade for several years and have thought that they were doing a fine job but from this clipping, it makes me wonder if its activities are , or rather, if it as an organization, comes within the group you are talking about.

I realize that it is difficult for you to answer an inquiry of this type, as you, perhaps, would not want to put yourself in a position of having people think that you were recommending a certain organization and on the other hand if it were one of which you were speaking, you would, perhaps, not want to be put in a position so classifying it as such. If you can and will advise me regarding the Christian Anti-Communist Crusade, I will certainly appreciate it. If you do not care to use the name and will just advise me on a blank sheet of paper that the organization is O. K. and doing good work, or that it is not O. K. and not doing good work, I will understand what you mean and no one could, thereby, use the letter in any way as a recommendation.

Mr. Hoover, I realize your position, yet from an ordinary citizen, it is hard for us to evaluate some of these organizations and I, personally, feel that the citizens of the United States are entitled to know, from someone that is in a position to know, which ones of these organizations are worthwhile and which are not. If it were humanly possible for us to name the organizations that are good or bad it would certainly help the average citizen. I think that by far the majority of the citizens are aware of the situation and if they knew it was a good organization and it was not, then they would switch and support the one or ones that are doing a good job and let the ones that are not "dry up on the vine"

'Self-Styled' Experts On Communism Lashed

CHICAGO. (AP)—J. Edgar Hoover, director of the Federal Bureau of Investigation, said today "far too many self-styled experts on communism" are giving out erroneous and distorted information.

In an article in the American Bar Association's journal, he wrote:

"Our fight against communism must be a sane, rational understanding of the facts. Emotional outbursts, extravagant name-calling, gross exaggerations hinder our effort."

HOOVER DID not identify his targets by name but stated:

"Today far too many self-styled experts on communism are playing the highways of America giving erroneous and distorted information."

The FBI chief said the nation needs enlightenment about communism but it should be factual and accurate, and he added:

"We need more light and less heat."

He wrote that many non-Communists may legitimately take positions on issues which also are held by Communists.

"Their opinions, though temporarily coinciding with the party line, do not make them Communists," he added. "We must be careful with our facts and not brand as Communist any individual whose opinion may be different from our own."

In the United States, Hoover wrote, Communists make use of guaranteed freedoms to attack the democratic concept of law and order. But, he said, the Communist Party has been able to recruit only a very few American lawyers.

"SUPPORT of the aims of communism and faithfulness to the law of our land are irreconcilable," he said. "A few lawyers

are assisting the party through front groups which, though allegedly espousing legitimate aims, actually are transmission belts of communism to the masses."

Hoover suggested that Americans should not adopt the Communist attitude toward law and order. He added:

"Cries for legal shortcuts, vigilante methods and less reliance on legal processes, though based on the most patriotic of motives, are most shortsighted. These would undermine our cause."

Hoover Gives No Badge To Ultras

J. Edgar Hoover, director of the federal bureau of investigation, has tossed a grenade of rationality into the midst of the fanatical right wing extremists.

In an article in the American Bar Association's journal Hoover declares there "are far too many self styled experts on Communism". These self elected experts, he says, are "giving out erroneous and distorted information".

This statement saps the life blood of the extremists. Their stock in trade has been the assumption that the nation is asleep to the menace of Communism and that they are equipped to provide the great awakening.

At no time have the ultras hinted that Hoover is not awake to the menace. Indeed, it is a safe bet that, at least until this article was published, they regarded Hoover as the best informed man in government on domestic Communism. Now he repudiates them as novices, amateurs and mischief makers. Says Hoover:

Our fight against Communism must be a sane, rational understanding of the facts. Emotional outbursts, extravagant name calling, gross exaggerations hinder our efforts.

With these words Hoover gutted the very inventories of such groups as the John Birch Society, Fred C. Schwarz's Christian Anti Communism Crusade, the Minutemen and more than a score of other star spangled organizations

which act as if they alone had a corner on perception of the nation's needs.

Hoover comments:

Cries for legal shortcuts, vigilante methods and less reliance on legal processes, though based on the most patriotic of motives, are shortsighted. These would undermine our cause.

Hoover does not say the nostrums peddled by the ultra conservative groups are merely worthless. He says they are downright harmful.

It should be clear to everyone that the business of detecting and exposing subversives is a job for professionals acting within the framework of due process of law. It should be equally clear the Americans do not need to know the intricacies of dialectical materialism, surplus value and Lenin's exposition on imperialism to know Russia and Red China are no buddy friends of the United States!

And what is more, it should be clear to all that some of these extremist groups are unable to distinguish between a liberal and a Communist, that their thinking is distorted by bitterness and crackpotism and that the nation would be better off if they left the cloak and dagger stuff to constituted authority.

If Hoover will not give the fanatics a G man badge or even a pat on the head, they should tumble to the fact they have very few rational friends and that they might as well return to their candy making or to whatever they were doing before they decided to save the country.

HODGKINSON made available a copy of a schedule of classes of the school put out by the Central Ohio School of Anti-Communism which is also sponsored by the Christian Anti-Communist Crusade. He said that the Northern Ohio Freedom Forum will conduct their school the first week of October 1962 in Cleveland, exact location not yet known, and that the same faculty members as set forth in the attached pamphlet will conduct the school.

HODGKINSON advised that the purpose of his visit was to merely inform the Bureau of the existence of this school and that he would advise when final arrangements had been perfected.

NOTE: Bufiles contain no record identifiable with correspondent. She asked several questions concerning literature distributed by the Christian Anti-Communism Crusade, and requested to know whether a report by the Director was being included in their other material in an effort to lead one to believe he endorses all the pamphlets. She enclosed a pamphlet entitled "Mr. K and His Shoe" written by Dr. Carl McIntire. Dr. Carl McIntire is President of the International Council of Christian Churches and Pastor of the Bible Presbyterian Church, Collingswood, New Jersey. He was an organizer of the American Council of Christian Churches and has been an outspoken foe of the National Council of Christian Churches and has bitterly criticized the Revised Standard Version of the Bible. He has stated publicly that communists are using the NCCC in the U. S. We have had cordial correspondence with him in the past and the Bureau is aware of his controversial nature.

Mr. Hoover;

I attended a meeting where the "Christian Anti-Comminism Crusade," representative spoke and passed out literature. Among the pamphlets was "Communist Target - Youth." Published by the House Committee on Un-American Activities. In it is a report by you, the issue is 57964⁰ - U. S. Government Printing Office - Washington - 1960.

What puzzles me is some of the rest of the enclosed literature accompanying Your report. They all conform except the one labled.

"Mr. K and His Shoe." (A copy is herewith)
It was prepared and distributed by "20th Century Reformation Hour -"
Rev. Carl McIntyre D.D. Director
Collingswood New Jersey.

It gives fourteen 14, illustrations on why U. S. should withdraw from the U. N- Each illustration is connected with a direct bible quote.

Do you feel this enclosed pamphlet is worth considering? It haddn't occurred to me as a plausible solution in the light of our fellow - men throughout the world.

It smacks of isolatunism - Is this good for us? Is this the only Answer?

I am quite puzzled. Could you in any way enlighten me?

Also by you report, being included with this other material, leads one to feel you endorse all pamphlets. Is this what they wish us to believe?

Anxious to hear from you

SUBJECT: BILLY JAMES HARGIS

On 3/20/62 Hargis held a meeting at the Washington Hotel, Washington, D. C., which meeting was by invitation only and was covered by [redacted] through arrangements made with the Washington Field Office. The following is a summary of the information furnished by [redacted] concerning this meeting.

Approximately 100 people were in attendance and everyone seemed to be a representative of some conservative group. Generally, the theme of the meeting was there are about 2,000 conservative groups in the United States and the meeting was to consider the advisability of having a loosely knit organization for the purpose of communication between these groups. Hargis chaired the meeting and first spoke of the necessity for cooperation of conservatives on a grass-roots level. He described the meeting as an organizational meeting. It was decided at the conclusion of the meeting that the group would meet quarterly; their meetings would be closed to the public and the press; and the next meeting is tentatively to be held in Washington, D. C., but no date was set.

CHRISTIAN ANTI-COMMUNIST CRUSADE

The only reference to the FBI came near the close of the meeting when Hargis stated his friend, [redacted] who formerly worked with the FBI, had told Hargis the FBI was doing a wonderful job and knew the identities of 99.9% of all the communists in the United States. Hargis then asked why the communists who are known have not been arrested since the Internal Security Act of 1950 (ISA-50) is now the law of the land. Hargis stated Attorney General Kennedy, for whom the FBI works, has stated it is difficult to prosecute the communists under this Act. Hargis recommended there be organized a letter campaign to the Attorney General advocating action against these communists under the ISA-50. Hargis also made reference to former Vice President Nixon and Nixon's stand on the John Birch Society. Hargis stated Nixon would be defeated in California.

Among the speakers at the meeting were Benjamin Gitlow who spoke about the fight against communism; General Charles Willoughby who spoke on foreign affairs and who later remarked there are thousands of refugees in Europe who would be willing to fight communism and he advocated the use of these refugees as troops rather than sending our

troops to Europe; Edward Hunter (no further identification furnished) who spoke on the psychological aspects of the contest between conservatives and communism; and General Bonner Fellers who spoke on foreign aid and invited everyone to write to him and he would send them information on how much was spent in foreign aid, stating that 106 billion dollars spent on foreign aid up to the 1962 budget was undermining the country and that the recipients of this foreign aid could band together and ruin this country and that the cancellation of the B-70 Bomber was due to communist pressure.

Congressman E. Y. Berry (R-South Dakota) spoke on a liberal booklet entitled "Thirty-five Congressmen on Foreign Policy - The Liberal Viewpoint." Berry stated this booklet set forth 9 points, the major point being the recognition of Red China. He told those present to get after Congress and see if their representatives were for or against the points in this booklet.

Congressman John H. Rousselot (R-California), described by the source as the best speaker whose speech had the most impact, in his talk spoke of the trend toward socialism in Congress and the Government. He also mentioned that the Americans for Democratic Action and the AFL-CIO were working toward socialism. He also stated that Senator Hubert Humphrey is for socialism. Rousselot advocated that the conservatives take the initiative against this trend in Government.

George McCrarey (phonetic) stated he represented the Citizen's Committee of Research, Indianapolis, Indiana, and that his group had instituted a law suit against the Attorney General which stopped the exchange of tractors for prisoners held by the Cubans. McCrarey stated the conservatives need a national network of communication and dissemination of information.

An unidentified woman who stated she was the head of the American Coalition of Patriotic Societies, 1025 Connecticut Avenue, N.W., Washington, D. C., stated there are 117 groups affiliated with her organization and that her organization has a mailing list of conservatives of approximately 20,000 to 25,000 names.

A male individual identified only by the name of Smith from McLean, Virginia, stated the only way to control the communications media is to buy a television station or a newspaper, adding that if the conservatives owned such a station or newspaper they could control the representatives in Congress from that area.

It is noted that General Willoughby, mentioned above, was formerly Chief of Staff for Intelligence for General MacArthur and the General Fellers is associated with the "For America" group which is located at 1001 Connecticut Avenue, N.W., Washington, D. C.

Dear [redacted]

Your letter of March 21, 1962, with enclosure, has been received, and your expression of confidence in me is deeply appreciated.

It is always reassuring to hear from citizens who demonstrate an awareness of the problems facing our country and who desire to prepare themselves and others to meet the atheistic challenge to our freedoms presented by communism. A broad knowledge of the objectives and operations of the communist movement is essential if the American people are to effectively resist its eroding influence. In this regard, enclosed is some material I hope will be of assistance to you. In addition, you may wish to consider my book, "Masters of Deceit," which was written in the hope that it would become a primer for those interested in learning the true nature of the communist menace. You may be able to secure a copy of it at your local library or bookstores.

With regard to your other inquiries, I would like to point out that the FBI is strictly an investigative agency of the Federal Government and neither makes evaluations nor draws conclusions as to the character or integrity of any organization, publication or individual. I thought you might like to know, however, that Mr. Smoot was employed as a Special Agent of the FBI from March 23, 1942, until June 15, 1951, when he voluntarily resigned for personal reasons. Mr. Smoot is no longer connected with this Bureau, and his opinions and comments are strictly his own and do not represent the FBI in any manner.

Sincerely yours,

J. Edgar Hoover

NOTE: Bufiles contain no identifiable information concerning correspondent. Howard Dan Smoot, former Special Agent, resigned following censure, probation and transfer due to several unfounded charges made by him against his SAC, and due to his dereliction in not apprising the Bureau of certain matters; he was not recommended for reinstatement, and all field offices have been advised to be most circumspect in handling inquiries concerning him. Neither Dr. Frederick C. Schwarz nor the Christian Anti-Communism Crusade has been investigated by the FBI. Dr. Schwarz and his organization are well-known to the Bureau.

TRUE COPY

March 21, 1962

Dear Mr. Hoover,

This booklet, published by the Christian Anti-Communism Crusade, was given to me by some individual and I would like your opinion of it. It suggests bringing pro-American or anti-Communist speakers to your town, using film and tape libraries to influence people.

The president of this movement at the present time is a Dr. Fred C. Schwartz, of Sydney Australia. Mr. George E. Sokelsky, a Columnist who writes for the San Antonio Light, a Texas newspaper, states that Dr. Schwartz's efforts indicate anger and excitement but no philosophic approach to anti-Marxism. The effect of what this movement advocates tends to get people fighting mad--but at what! Too often they turn out to be neither pro-American nor anti-Communist but anti-American.

I have in mind Dan Smoot of Dallas. He spoke in San Antonio, Texas last February but was largely critical of our own government. He advocated impeachment of Earl Warren, withdrawal from the United Nations, and cutting off all foreign aid. If this Dan Smoot is going about things in the wrong way, it is unfortunate because he claims to be a former FBI agent and therefore carries some weight.

We are trying to maintain a good home and raise our children in keeping with Christian and American principles. We are willing to do more to keep our country strong and help in any good way we can. We especially do not want to go about things in a wrong way.

If you have time, I wish you would please answer these three questions for me.

COMMUNIST THREAT

"Whether you like it or not, history is on our side. We will bury you."

—Nikita Khrushchev

COMMUNIST BLUEPRINT:

"War to the hilt between Communism and Capitalism is inevitable. Today, of course, we are not strong enough to attack. Our time will come in twenty to thirty years. To win we shall need the element of surprise. The bourgeois will have to be put to sleep, so we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The Capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist."

Unfortunately, actions are not generally taken in our governmental headquarters based on what is right and wrong, but instead on what is politically expedient.

Action without knowledge breeds confusion and chaos. Once this is realized, education on the true nature of Communism becomes the first logical step to victory.

The Christian Anti-Communism Crusade, a non-profit, tax exempt organization having as its foundational structure evangelism, education, and dedication has created a "Local Study Group Program" as the vehicle for knowledge followed by intelligent action.

Over 300 hours of tape recorded lectures and films are available from the Crusade at a nominal cost featuring some of the leading experts in the world. Typical listings follow on pages 18 and 19. The material covered starts with Communist philosophy and carries the student through to Communist activities in foreign and economic affairs as well as in our everyday life. These tapes and films are in use in public schools, churches, civic clubs, homes, military units, as well as in radio and television programming. Manuals are available on request giving detailed listings of material and suggestions on formation of a study group (price \$.50) plus a meeting manual (price \$.50) outlining the program schedule, objectives, and ultimate goals.

Dear [redacted]

Your letter of April 18, 1962, has been received, and I want to thank you for your kind comment concerning my administration of the FBI.

With respect to the matter you discussed, you are apparently referring to my article entitled "Shall It Be Law or Tyranny?" which appeared in the February, 1962, issue of the "American Bar Association Journal." I had in mind those individuals who have not taken the time to inform themselves about the strategy, fallacies and aims of communism. Too often such individuals are motivated by an incorrect understanding of the true facts which, of course, leads to false judgments and erroneous conclusions. In this regard, the FBI is strictly an investigative agency of the Federal Government and neither makes evaluations nor draws conclusions as to the character or integrity of any organization, publication or individual.

Enclosed is a complete text of this article, together with some other material I hope will be of interest to you.

Sincerely yours,

Dear Mr. Hoover,

In a speech recently you have been quoted as saying that "professional Anti-Communists" were doing a disservice to this country. I have not seen the exact text of this speech and knowing how often things are misquoted and quoted out of context that I have decided to come to the source and get this whole matter straightened out once and for all.

If you did make the statement I have quoted were you referring in any way whatsoever to Dr. Fred Shwarz or the Christian Anti-Communism Crusade? It is very important that this be straightened out because there are many of us who feel Dr. Shwarz is doing a very worthwhile and educational job and those who would criticize always use this one quotation against us.

Everyone acknowledges you as being the number one authority on Communism in the United States. I am included in your most sincere admirers. I am therefore doubly interested in finding out exactly who or what organization you were referring to.

Thank you so very much for your time.

Sincerely

NOTE: A few items on the Bureau and on the subject of communism were furnished correspondent by Bulets 11-9-61 and 12-21-61 in response to prior requests. He has also been referred to "Masters of Deceit." In prior letter, he indicated that he was affiliated with the Christian Anti-Communist Crusade (Dr. Fred Schwarz) and for this reason, 350 copies of "How To Fight Communism" were not sent him when requested. Gentlemen:

Greetings in the behalf of Christian Anti-Communist efforts.

It is a great privilage of mine to have this opportunity to write you concerning efforts in Anti-Communism.

The editor of NEWSWEEK magazine, after writing him, suggested that I write and make my request known to the International Security Division. I wrote the editor concerning an article entitled, "How To Fight Communism", by J. Edgar Hoover, which appeared in the magazine June 9, 1947. I wrote requesting 350 copies of the article, his supply was exhausted but he said I could obtain the supply from the International Security Division. I would appreciate receiving the material, if such is available. If there is any cost or if the material is available from another source, I would appreciate receiving the information. *W*

It would be most helpful if the International Security Division could furnish me with any other material available on the Communist and ways of combating the conspiracy would be appreciated very much. It will be used to the fullness of its entered purpose.

The publications and information will be used as a part of an anti-Communist program, which endeavors to reach college and high school students, church groups and others.

I sincerely appreciate your generous help and cooperation.

INFORMATION CONCERNING

On May 23, 1962, [redacted]
Automatic Timing and Control, Inc., Gulph Road, King of Prussia, Pa.,
advised that he had been contacted May 22, 1962 by captioned individuals,
who claimed they were working on behalf of the Christian Anti-Communism
Crusade. They requested permission to show a film, "Communist Encirclement,"
a Harding College film, to the employees of the company and to distribute
a booklet "What Can I Do To Combat Communism." They indicated they would like
to return at a later date to show the film, "Operation Abolition" to the
employees.

b6
b7c

Mrs. R. ~~GREENWOOD~~, Tower Farm, RFD #3, West Chester, Pa., was to
show the film and answer questions.

RICHARD ~~HIGHTOWER~~ told [redacted] that he is head of the Philadelphia
Chapter of captioned organization.

The management of Automatic Timing and Control, Inc. granted per-
mission to ~~GREENWOOD~~ to show the film to those employees who desired to see
it.

DR. FRED C. ~~SCHWARZ~~ is President of the Christian Anti-Communism
Crusade.

"The Philadelphia Inquirer", Final City Edition, page 33, column 2,
issue of May 25, 1962, reflected that DR. FRED C. SCHWARZ, an Australian
physician, on Thursday (May 24, 1962) urged 150 persons at Town Hall, Phila-
delphia, to join the Christian Anti-Communism Crusade.

Reference is made to [REDACTED]'s call to me 5-24-62 reflecting that [REDACTED] had claimed that the Director had told former Vice President Nixon he endorsed the activities of Dr. Frederick C. After talking with [REDACTED] I telephonically contacted [REDACTED] and told him I was not aware of the identity of his source but that I wanted him to know that this claim was absolutely false. I told him the Director did not endorse any individual or organization; particularly Dr. Schwarz or his outfit.

The Honorable Edgar J. Hoover
F.B.I. Headquarters
Washington, D. C.

Dear Mr. Hoover:

Your advice is urgently requested. Someone I know wishes me to introduce the programs of the Christian Anti-Communism Crusade by showing their pictures and working up a following against Communism in my own and in neighboring communities.

Of course Communism and its tactics is of grave concern to any right thinking person. And anyone with an ounce of patriotism for this country will wish, as I do, to do anything to help effectively combat it.

However, I have read numerous articles wherein you were directly or indirectly quoted, and I feel sure that I read one in the supplement of a Sunday newspaper within the past six months in which you were directly interviewed, or else wrote the article for the paper, I have forgotten which; but in all of the above the general trend of thought or of statement seemed to me to be advice to the American public to keep away from right wing organizations in their means and manner of combatting communism for they are causing division and suspicion among peoples, institutions, etc. and are in this way producing the very thing the Communists are trying so hard to produce - confusion throughout the nation.

From the literature that I have received and from the articles I have read and spoken of above, I have gained the impression that the Christian Anti-Communist Crusade is right wing, but that It is decidedly the best of the right wingers.

It has been suggested to me that I am too complacent and that as long as I am not disturbed in my life I will not be concerned; that the country will be lost to Communism because of people like that. No doubt this is true about complacency losing the battle, but I am not a complacent person. My very mind and soul have been torn with the conditions in the world today. If standing on the street corners handing out Christian Anti-Communism Crusade literature would be a sure-fire effective way to combat Communism I would be willing to do it, but I feel that if a zealot has joined up with the wrong forces, his very zealosity is doing more harm than good, and there is a tremendous lot of worthwhile energy and zeal going off line.

Now my inner turmoil of thought and questioning is this: Am I so off base in my judgement that I am gaining entirely wrong, in fact diametrically opposite impressions from what I read and from what I hear on radio and on television.

My decision with regard to the Christian Anti-Communism Crusade rests entirely on the advice you will give me. I will greatly appreciate a prompt reply.

Very truly yours

Dear [redacted]

I have received your letter of June 4th, with enclosure, and want to thank you for writing as you did. It is always reassuring to hear from citizens who demonstrate an awareness of the evils of communism and who desire to combat this threat to our freedoms.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. I regret I am unable to be of assistance but am sure you will understand my position.

The Communist Party in this country has attempted to infiltrate and subvert every segment of our society. However, the Party's efforts are being thwarted by the FBI's internal security programs, by investigation, arrest and prosecution of Party functionaries, and by widespread, intelligent public opposition to the communist philosophy. These achievements are being accomplished through orderly, legal procedures, and I assure you this Bureau is continuing to handle its responsibilities in this field with the same dispatch and thoroughness that have characterized our investigations in the past.

Enclosed is some material I hope will be of interest to you. I am returning the stamped, self-addressed envelope you so thoughtfully sent.

Sincerely yours,

J. Edgar Hoover

THE AMERICAN LEGION

W. B. WILLIAMSON POST NO. 1

LAKE CHARLES, LA.

June 14, 1962

Mr. C. D. Deloch
Assistant Director

Christian Anti Communist Crusade

Dear Mr. Deloch:

Last week while in Baton Rouge on business, I dropped in to talk with Dick Cadwallader. As I have been active with the Post in Southwest Louisiana as Americanism Chairman, as well as speaking before many groups on the problems of communism, he and I had much to discuss in bringing ourselves up to date on the status of the present situation and what programs could be followed for the future. He showed me a copy of your excellent talk made in St. Louis on January 26 of this year. I would appreciate receiving 10 copies of this talk if they are available.

We also discussed Assistant Director Sullivan's talk in Baton Rouge. Apparently what he said and the impression that he left were interpreted differently by the audience and our Lake Charles paper. I wondered if a copy of his speech is also available.

As Americanism Chairman for the Legion and one who speaks before many groups throughout Southwest Louisiana, I have become somewhat of a clearing house of questions and opinion for both adult study groups, various civic organizations, and the high schools. Due to the type of reporting we receive in our local newspaper, I have to subscribe to several other papers throughout the state to try and get undistorted facts, but even so it is impossible to get a true picture of what the FBI and specifically J. Edgar Hoover say in many of their speeches. We have received and distributed many hundreds of copies of his talks and specifically the cover letter on the report of the American Communist Party Convention contained in the March 1, 1960 letter "To All Law Enforcement Officers." This, I pass out at meetings after having quoted from the letter.

The problem is that most of the information I receive is well after the speech or statement occurs. It would aid me materially and stop many rumors and misunderstandings if when a speech is made or an article is written by you, Mr. Hoover, or Mr. Sullivan, that at least a copy or preferably copies could be sent to me so that as questions arise and interest is generated, the true facts can be given to the people of this area.

Dear Mr. Sweeny:

Last week while talking to Richard Cadwallader, our state Un-American Activities Commission Chairman, the subject of [redacted] editor of [redacted] published in Lake Charles, Louisiana, came up. I told him of the type of newspaper that he published which was strictly atheistic, anti-God, and pro-leftists, and that he had recently formed a non-profit foundation. I am enclosing a photostatic copy of one issue of his paper. The paper consistently attacks any and all religions, supports causes which in my estimation are quite questionable, has no visible means of support; no one in Lake Charles that we know of subscribes to it, yet free copies are sent to many people, and there is no advertising in it. It is recommended as excellent reading by such papers as "The Californians" published by Burton H. Wolfe. We have a friend at the post office that states that a package of copies goes to Fidel Castro every month.

[redacted] wife is a teacher in the fourth grade at the elementary school, and the things that she teaches the children are atrocious. Many people have tried to get her removed, but to date there has been no success because of the teacher tenure act in Louisiana.

While talking with Dick in Baton Rouge, I explained the problem on this particular individual; and it is rumored that another person is returning to Lake Charles to help [redacted] in his work. We hope to be able to find enough about this foundation to enable one or more of us who are not known to him to join it to possibly be able to follow what they expect to do; also to get enough information on [redacted] background and connections that the local publishers might not want to publish and distribute his material. Dick felt it would be possible for you to possibly send us some background information on [redacted]. This material might enable us to help clear the air of this particular problem here in Lake Charles.

SUBJECT: C. G. KEVIL
 AMERICANISM CHAIRMAN
 W. B. WILLIAMSON POST NO. 1
 THE AMERICAN LEGION
 1530 NINTH STREET
 LAKE CHARLES, LOUISIANA

By letter to you dated 6-14-62, captioned individual advised he had recently conferred with Dick Cadwallader in Baton Rouge. They discussed your talk in St. Louis before the American Bar Association on 1-26-62, and Assistant Director Sullivan's talks in Baton Rouge on 4-27 and 28-62. Kevil requested copies of these speeches.

b6
 b7C

Kevil related that as Americanism Chairman for the Legion, he talked before many groups and had distributed "hundreds of copies" of the Director's speeches. He said it would assist him if he could have copies of statements by the Director, Mr. Sullivan and you after such statements were prepared. He also requested fifty copies of the Director's article, "A View of Reality," and twenty copies of Mr. Hoover's article, "Shall It Be Law or Tyranny?"

Kevil enclosed a copy of a letter he and the local Legion Commander had written to Don Sweeny, Legion official in Washington, D. C., in which they referred to [] Publisher of [] a newspaper in Lake Charles which Kevil described as "atheistic, anti-God, and pro-leftists." A friend in the Post Office advised Kevil that Fidel Castro received copies of this publication every month. This letter also criticized [] wife's teaching in a local school. It was alleged [] had mentioned that he was establishing a "foundation," and the letter stated that it was hoped "one or more of us" would be able to join this foundation to get background information on [] and follow his activities.

INFORMATION IN BUFILES:

C. 9X Kevil was advised on 7-11-61, that budgetary limitations precluded the sending of reprint material he requested. In his incoming letter, he had indicated that he used tapes prepared by Dr. Fred C. Schwarz, with whom our relations have been circumspect in view of Schwartz's opportunistic activities. letter dated 7-18-61, Kevil advised he was President of the local American Petroleum Institute group and had organized this group's Americanism and Political Action Committee, was a member of Schwartz's Christian Anti-Communism Crusade, and he hoped his affiliation with these organizations would permit the filling of his previous request. Morrell to DeLoach Memorandum dated 7-27-61, noted that Kevil apparently was a man of substance, was very active in combating communism, his request involved only 160 copies, and it was deemed advisable to send him authentic information rather than have him only utilize the type of material he could get from Schwarz. It was recommended and approved that the material requested be sent to him.

OBSERVATIONS:

Kevil is apparently a leader in the community who is most active in anticommunist activities; however, he is a member of Schwarz's group, uses Schwarz's material, and his enclosure indicates he and his associates are apparently taking it upon themselves to conduct investigation regarding what they believe to be the subversive activities of

RECOMMENDATIONS:

1. That Kevil not be added to the Special Correspondents' List.

2. That the attached letter be sent to Kevil over your, Mr. DeLoach's signature, advising that it will not be possible to furnish material on a continuing basis, but that the specific items he requested are being forwarded under separate cover, with the exception of Mr. Sullivan's speech which is not available. ^{sent 6/22/62} TD

On March 26, 1962, a source advised that the American National Party was formed on November 24, 1961, and is composed of JOHN PATLER, National Chairman, DAN BURROS, Vice Chairman, Internal Security, [redacted] Registrar and National Treasurer, [redacted] New York State Chairman and National Organizer, and [redacted] Defense Corps Commander, all of whom, according to the source, are former members of the American Nazi Party.

The source stated that the above individuals severed connections with the American Nazi Party because of policy disagreements with GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party.

The source stated that the "open policy" of the American National Party is strictly anti-Communist but in reality, the purpose of the organization is to "break the inordinate power of the Jew in the United States through constitutional means" and to "eliminate the Negro from the population of the United States by sending him back to Africa." The source explained the "inordinate power of the Jew in the United States" to mean the complete control of the Jew over newspapers and other communication media in this country through which a great domination is wielded over the minds of the citizens of the United States.

The source further advised that American National Party hopes to attract a great number of anti-Communists who will eventually be educated to be anti-Semites, through distribution of anti-Communist literature.

The source stated that the American National Party maintains a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York.

The source further advised that since January, 1962, the American National Party has leased the premises at 97-15 190th Street, Hollis, Queens, New York, to serve as a headquarters, but which in actuality is a small wooden shack utilized mainly to store supplies.

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprises National Socialists (WUFENS) at his residence on February 26, 1959.

[redacted] according to

[redacted] ROCKWELL told those present, that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the FBI, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, had consisted of picketings with anti-Jewish and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

NATIONAL RENAISSANCE PARTY

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole who is in complete control of the Party. The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated 12/17/54, stated that "National Renaissance Party activity and propaganda are clearly subversive and un-American".

NORTHERN OHIO FREEDOM FORUM
IS - C

Re Cleveland letter to Bureau dated 3-14-62.

As pointed out in referenced letter, the ~~Northern Ohio Freedom Forum~~ was organized to bring to Cleveland the ~~Christian Anti-Communist Crusade~~ in the form of the ~~Northern Ohio School of Anti-Communism~~. The school is scheduled to be held in Cleveland from October 1 thru 5, 1962.

We are presently in receipt of a request from Mr. RALPH E. LEISING, Chairman of the Business and Industry Committee of the Forum for 3000 copies of each of the following items of literature previously published by the Bureau:

1. "What YOU Can Do to Fight COMMUNISM and Preserve AMERICA."
2. "Let's Fight Communism Sanely," reprinted from "Christian Herald" 1962.
3. "Communism: The Bitter Enemy of Religion," reprinted from "Christianity Today" June 22, 1959.
4. "How To Beat Communism," reprinted from "The Lion" October, 1957.
5. "To All Law Enforcement Officials," reprinted from the FBI Law Enforcement Bulletin, March, 1960.
6. "The Communist Party Line." Senate Document No. 59, September 23, 1961.

9. "God and Country, or Communism?"
Reprinted from the "American Legion

10. "Communist Illusion and Democratic

In connection with the above request, Mr. LEISING has pointed out that the purpose of presenting this school in Cleveland is to provide a source and a concentrated program of education for Northern Ohio citizens in keeping with the warning of the Director in his book, "Masters of Deceit," that every citizen has a duty to learn more about the menace that threatens his future, his home, his children and the peace of the world.

He has further indicated that after the school closes on the fifth of October, the Northern Ohio Freedom Forum will dissolve but one of the activities which the Forum is sponsoring is a public rally on July 6, 1962, at Public Music Hall. In this connection, they were preparing a brochure to explain the purposes of this organization in order that they may obtain local endorsements, contributions and the assistance of Northern Ohio industrialists and others in support of the forthcoming school. It was in connection with the brochure that they were obtaining the additional copies of the literature specified.

In view of the large number of copies of these items desired, it is requested that the Bureau forward them to Mr. RALPH E. LEISING at 3250 Dellwood Road, Cleveland Heights 18, Ohio.

NOTE: Correspondent has written the Bureau on two previous occasions, in October, 1961 and May, 1962. His letters were acknowledged and he was sent some reprint material on communism. He enclosed several clippings from the San Carlos, California, newspaper. These included letters to the editor and an editorial concerning the ministers who attacked Dr. Fred C. Schwarz and the Christian Anti-Communism Crusade. Correspondent was previously thanked for his offer to be of assistance to the Bureau. He is being given an in-absence reply since it is not believed the Director would want to comment regarding the controversy indicated by the newspaper clippings with respect to the Christian Anti-Communism Crusade.

Local Ministers Concur In Reservations About Anti-Communism Crusade

To the editor:

We heartily concur with the eight distinguished leaders of our religious groups in the Northern California area in their public statement of Jan. 11, 1962, voicing strong reservations about the Christian Anti-Communism Crusade, its leadership, and the forthcoming School of Anti-Communism in Oakland. As the statement of these Protestant and Jewish leaders made clear,

"At a time when America is faced with a dangerous and subtle external enemy, internal unity is of the gravest importance. Any activity which threatens this unity by adding to the climate of fear and suspicion which already is abroad must be approached with the greatest caution and discrimination. Good motivations alone are not sufficient; intelligent anti-Communism demands a clear-eyed understanding of the danger, and the ability to discriminate accurately between Communism on the one hand and genuine movements for social reform on the other."

We believe that the Judeo-Christian heritage is clearly antithetical to the communist ideology, but our unflinch-

ing loyalty to these religious principles demands more than "anti-communism." It requires no less than a vigorous and constructive dedication to truth, justice, freedom, and peace. We furthermore oppose political extremism in any form that would carelessly sacrifice these cherished values of our faith which are the very foundation of our democratic form of government.

This letter represents our thinking as individuals and not necessarily the position of our religious groups. We personally are happy to be counted among those who support this courageous statement of the leaders in this area of the Baptist, Christian, Congregational, Episcopal, Methodist, United Presbyterian, and Jewish religious bodies.

The Revs. George D. Brown, Leroy W. Calbom, Robert Clapham, Don Cunningham, J. Douglas Ewan, John B. Haverland, David M. Held, Louis J. Knight, Rafe C. Martin, Schuyler Pratt, Roger K. Smith, J. Hood Snavely, Robert W. Wheaton, Edward A. Wicher, Jr., and Rabbi Herbert D. Teitlebaum.

Realtor Backs Dr. Schwarz

To the editor:

As a realtor it is very likely I would be in the line with you and ministers to be liquidated in the final stages of a communist take over, therefore I agree, with your editorial of Wednesday, Jan. 31, 1962.

The fact that the ministerial-association has gone on record as being opposed to Dr. Schwarz and the Anti-Communism Crusade, does not in my opinion indicate that they are necessarily opposed to all methods of opposing communism. Though I haven't talked to them personally I feel that they are a group of highly intelligent American citizens and as such are certainly aware of the deception and evils of communism, however, if they have a better solution to the problem of protection of our private property and our freedom as individuals, where the citizen takes responsibility for his actions, then let them speak out, not only in the pulpit (where unfortunately too many Americans have failed to go to get the word) but by what ever means they have at their disposal to make this knowledge known to free men before the lies and deceit of communist and fellow travelers convince the American people that they have the answer to man's problems.

Let us all be fair to each other and above all to God be true: remembering that He was the author of freedom, and we are the instruments he can use to preserve freedom.

Sincerely yours,
Glisson M. Morris.

I Am 100 Per Cent Anti-Communist

To the Editor:

Congratulations on your magnificent editorial in your paper Jan. 31, 1962 in answer to the local ministers' letter in your paper Jan. 24th. This is wonderful. The ministers said, "We heartily concur in voicing strong reservations about the Christian Anti Communism crusade."

It was a shock to me to find that we have ministers in our community that are against anti-communism.

I am 100 per cent against communism and do not want my children, grandchildren or great grandchildren to live under communist rule.

Anti-Communism Crusade Supported

To the editor:

Congratulations for your stand on Dr. Schwarz and the Christian Anti-Communism Crusade. (We have cancelled our subscription to the "S. F. Chronicle" and are now taking another.)

I would like to express my appreciation at this time for the cooperation Mabel Neal has given me as publicity chairman for the American Lutheran Church Women of Holy Trinity Lutheran Church, and also as former publicity chairman for the San Mateo County Alpha Phi Alumnae. Also, Mr. Sharkey has been most cooperative.

Your very truly,

Some People Called 'Tools'

To the Editor:

May I take this opportunity to thank you for your editorial in answer to the local area ministers who signed the letter of disagreement with Dr. Fred Schwarz and the Anti-Communism Crusade.

Clarification, however, is needed in one area. These names do not, as you said, constitute a majority of the Redwood City ministers.

First, they are not all from Redwood City. Persons like George Brown and others are from San Carlos. Secondly, those of Redwood City are a small minority of the entire ministers of the city, even of those in the ministerial association. Thirdly, they spoke only for themselves and I, for one, do not wish to be classified with them.

Your editorial sounded like it was written by someone I could respect and I would deserve your respect as well. Thus count me "out" of this "so-called majority." I am in the ministry but not in theirs.

It might be of interest to you to learn that Leroy Calban urged the Redwood City Ministerial Association to censure the Anti-Communism School, but this move failed.

You were puzzled by their sudden reaction to Dr. Schwartz and silence concerning Gus Hall and others. The reason rests, Mr. Editor, in their underlying theology.

Having rejected the basic gospel of redemption, the liberal has placed his emphasis and hopes on social, political and economic means to achieve the "good life." Much socialism is of necessity a part of his philosophy—the belief in man's own manipulative genius.

He is thus, unconsciously, very little disturbed by the Communist, but incensed at the conservative for he knows that the conservative, in either religion or politics, would disagree with his basic philosophy and pose a threat to all he holds dear.

For this reason the liberal churchman has been an unknowing but effective "helpmate" of communistic aggression. He is not a Communist, as your editorial pointed out, but he is something more tragic—a tool, used for communistic ends. How gleeful must the Communist have been that read their letter.

To my brethren of the cloth who signed this letter I offer my heartfelt sympathy. Their character is Biblically described—"If the blind lead the blind."

MINISTERS ATTACK SCHWARZ

It is astounding, perplexing and worrisome that local ministers have joined the movement to discredit Dr. Fred C. Schwarz and the Christian Anti-Communism Crusade.

In a letter appearing in last week's Enquirer, the clergy voiced "strong reservations about the Christian Anti-Communism Crusade, its leadership, and the School of Anti-Communism in Oakland."

One paragraph of the letter states: "We believe that the Judeo-Christian heritage is clearly antithetical to the communist ideology but our unflinching loyalty to these religious principles demands more than 'anti-communism.' It requires no less than a vigorous and constructive dedication to truth, justice, freedom, and peace. We furthermore oppose political extremism in any form that would carelessly sacrifice these cherished values of our faith which are the very foundation of our democratic form of government."

Now we do not know what this paragraph means.

We do know, however, that most Americans are dedicated to truth, justice, freedom, and peace.

We commend Dr. Fred C. Schwarz and the Christian Anti-Communism Crusade for the excellent job they are doing in alerting the free world of the dangers of the communist ideology.

As Dr. Schwarz said in a speech before the combined Houses of the Texas Legislature: "Communism is a three-fold disease. It is a disease of the body, because it kills; a disease of the mind, because it is associated with systematized delusions not susceptible to rational argument; and a disease of the spirit because it denies God, materializes man, robs him of spirit and soul, and, in the last analysis, even of mind itself, and reduces him to the level of a beast of the field."

Dr. Schwarz has addressed the Joints Chiefs of Staff, the National War College, Central Intelligence Agency, Congressional Committees, and many other renowned patriotic groups.

We remind the ministers who are discrediting Dr. Schwarz that many persons of fervent religious beliefs still support the church of their choice, both financially and spiritually, even though they might not agree 100 per cent to the tenets of their particular church.

Many Republicans and Democrats don't agree 100 per cent with their respective party platforms.

Therefore, it is bewildering to us that any red-blooded, patriotic, and logical-minded citizen would reject Dr. Schwarz's anti-communism crusade.

We are proud to stand up and be counted as a great admirer of Dr. Schwarz and what he is trying to do for the American people.

We, for one, don't intend to roll over and play dead while the communists take over the world.

We had better hang together in this fight against communism or we will be hung separately.

Editors and clergy will be among the first hung.

Dr. Schwarz, who is well known to the Bureau as a professional anti-communist, called me today from New York City to extend an invitation to be a speaker at an anti-communist gathering to be held August 27-31, 1962, in New York City. Needless to say I declined the invitation.

Dr. Schwarz was rather persistent and wanted to know whether some other Bureau representative would accept. I gave him no encouragement. He then said he may consider writing me a letter and giving more detail.

Dr. Schwarz said they had held a rally in Madison Square Garden and 8000 people were in attendance. He went on to complain that he has been given the label of a right-wing extremist and he thinks that this is incorrect.

Dear Mr. Hoover-

I attended a seminar in Kankakee, Illinois, July 7th sponsored by the Christian Patriots Study group, featuring W. P. Strube, Jr. It was a very informative day and I was quite impressed with the anti-communistic material they presented, but I am also a little concerned about being included in such a group unless I know more of its background. I am not interested in any rightists movements such as John Birch Soc. Your book "Masters of Deceit" was recommended reading. The national group behind this is Christian Anti-Communist Crusade, of which Doctor Fred Schwarz is Executive Director. Would there be any reason why I should not become affiliated with this group? I know there are so many radical groups & movements and I have no wish to belong to anything that would be un-American. Will you please advise me? This Crusade is incorporated under the Laws of the State of Iowa. Memberships are \$10.00 annually & \$100.00 for Life Membership; & these donations are Tax-Exempt.

Thank you for any information you can supply me.

Yours very truly,

Dear Patriot _____

Have been wanting to ask if you saw the two excellent articles (Ralph McGill and AP) the Dayton News had right together on your anniversary _____ and that fine editor, Jim Fain, promised he'd devote an entire page to you and your outstanding accomplishments on your fortieth anniversary!!!!

Now we're hoping you saw the prominence the News gave the A.P. article Wednesday that so rightfully defended you and this Saturday (the eleventh) editorial quoting you and our frightening crime rate. (If you've missed any of these we'll be glad to forward!)

Because Communism is such a vital factor today, wouldn't it be an asset for some of the F.B.I. people to attend Dr. Schwarz' School in New York? (Know our three calls here in Dayton were handled with contempt. In '59 we attended Dr. Schwarz' School in Indianapolis and Herb Philbrick said if anyone wanted to subscribe to Worker or any Commie material they should notify the F.B.I. When we thought we would we called and were told it made no difference WHAT we took! (Still surprised at that as Counterattack frequently lists subscriptions under questionable names!) Won't burden you with details, but hope you agree attendance at this school would simplify your training problem!!!

Hopefully and gratefully always,

Dear Friend:

The last few months have been difficult as the enemy marshalled all his forces for a vicious and frenzied attack using misrepresentation, innuendo and slander in his effort to destroy the effectiveness of our work. Although a few people have been deceived and many more scared by these tactics, the great majority of our friends have stood firm and unmoved in the face of this onslaught. I believe the attack has now passed its peak and truth and reason are beginning to triumph.

I thank you most sincerely for standing with us during this period. Great victories lie ahead as we prepare for the Anti-Communism School in New York City, August 27-31.

God bless you.

Dear Mr. Hoover:

Christian Anti-Communism Crusade

I have been reading with great interest You Can Trust the Communists (to be Communists) by Dr. ~~Fred~~ ^{U.S.} Schwarz. I find no cause to doubt him, but I would appreciate knowing what standing Dr. Schwarz has with the F.B.I. His book has convinced me so thoroughly that I need to take a stronger stand (openly) against Communism, that I need to know more about him.

[Redacted] I am interested in gaining more information on how to detect "front" groups and to be better able to help my people understand the ever existing threat of Communism. I wish to aid in any way I can to defeat the Communists annihilation of man as a free agent under God.

[Redacted] I pledge myself that I will do what I can to assure my children of a continued life under a system of free government.

I will greatly appreciate any aid you may give me.

Mr. J. Edgar Hoover,

Dear Sir,

Will you help to clear my thinking regarding Dr. Schwartz of the Christian Anti-Communism School and the John Birch Society? - Also Leon Skouson. CRUSADE

Having read some articles regarding the John Birch Society my conclusion is that their aims are American, but some members are "extremists."

I have listened to Dr. Schwartz' School of communism and also last week heard Dr. Schwartz on "Meet The Press." I feel he is presenting a cause, not personalities.

I have read Mr. Skouson's book "The Naked Communist" and have been greatly enlightened. [redacted] of a Los Angeles church brought these people to our attention and we truly thank him.

As "Spiritual Life Secretary" I have brought some of Mr Skouson's and Dr. Schwartz' information to our ladies through our worship service. Our ministers' wife and one member have brought me up sharply because of this. They said that Mr. Skouson is not all he seems to be - has no right to give suggestions that will help different groups to spread the proper information-- that Mr. Schwartz has been proved out of line. I cannot understand the attitude of our church officials regarding extremists. Many of our ladies feel as I do, but I am greatly disturbed regarding the lack of knowledge of these vital issues.

I hope you will give me reason to continue to speak gently, firmly and with love and Christian conviction. Now I feel quite out of step.

Sincerely and respectfully

would like your opinion as to its character.

There are persistent rumors (by ordinarily

Christian Anti-Communism
Crusade

By letter dated 9-8-62, captioned individual enclosed a check for a copy of the Director's new book, "A Study of Communism." [REDACTED] indicates he has sold many copies of "Masters of Deceit" and is complimentary of the Director. He claims he has appeared before 170 groups in his area in the past 15 months and has many engagements booked. He asked that the Director autograph the book he sends. Mr. Tolson noted to check files and return [REDACTED] check.

There is no information in Bureau files identifiable with [REDACTED]. His check was returned with an In-Absence letter pointing out that we do not have the facilities to sell copies of the Director's book. An airtel was sent to SAC, Dallas instructing him to make discreet inquiry to identify [REDACTED].

SAC, Dallas advised by airtel dated 9-19-62, that Payne is a white male about [REDACTED] years of age, veteran of the U. S. Air Force in World War II and very anticommunist. He and his brother operate a [REDACTED] in Caddo Mills, Texas, and are considered law-abiding citizens. He has no criminal record.

SAC points out that [REDACTED] has been active in the Hunt County Freedom Forum which is a branch of the Tyler Freedom Forum and connected with the Christian Anticommunist Crusade. The object of the Freedom Forum is ostensibly to educate the people about communism. It is noted that the Christian Anticommunist Crusade is the organization which is headed by Dr. Fred Schwarz whose anticommunist activities are well-known to the Director and the Bureau.

In view of the anticommunist activities of [REDACTED] and the fact that he speaks before groups on this subject he might be considered to receive a free autographed copy of the Director's new book; however, in this instance, inasmuch as his group is connected with the Christian Anticommunist Crusade, it is felt that we should not send him an autographed copy of the book. It is felt that we should allow the In-Absence letter to stand and make no further acknowledgment of his letter.

RECOMMENDATION: [REDACTED]

Dear Mr. Hoover:

I have been approached by The Northern Ohio Freedom Forum for funds to support The Northern Ohio School of Anti-Communism. In their brochure I find many reprints of articles on communism written by you. 0410

Their schedule of class sessions looks fairly complete, but knowing a little about the inroads of communism, I do not want to be a member of a "hate campaign". This I feel would play right into their hands. I would like to help stamp out this serious problem in this country, but in the right way. I would like to know if you endorse this program or if you could give me further information about it.

Since these classes begin October 1 thru October 5th, I would appreciate a prompt reply.

[redacted] Informant D.C. has furnished you in confidence an unidentified report dated 9-10-62 regarding Dr. Fred Schwarz, who heads the CACC and whose anticommunist activities are well known to the Bureau. His crusades across the country have received considerable publicity. Set forth below is a resume of the information contained in the unidentified report you were furnished.

It appears from "first-hand observation" at the headquarters of Dr. Schwarz that there is concern and a constant preoccupation with money at Schwarz' headquarters. There are apparently not as many "substantial contributors so far in the first 8 months of 1962 as there were in a corresponding period in previous years." One of the problems at CACC seems to be just what kind of operation will bring in the most revenue. The mailing list is being carefully culled to eliminate the "free-loaders" who have not contributed for any length of time. The sale of literature has dropped off considerably and the firm that prints the Schwarz material has complained that the fall-off has caused a drop in business. Schwarz explains this decrease by writing that "the vicious campaign of slander and hate have had their effect" and "orders have dropped off alarmingly."

Schwarz appears to be tired, exhausted, haggard and irritable, and after an August 18 (1962) rally he was physically exhausted; however, when the subject turned to money, he became stimulated and alert. It is reported that a tone of panic crept into Schwarz's voice when he related that things were not going well in New York and he complained that some of his more generous clients had been scared off, in particular Richfield Oil. He complains that his money is coming in in small amounts and his general fund is almost empty. He is considering the drastic curtailment or dropping altogether of his newsletter because it is not bringing in enough revenue. He unsuccessfully tried to "wheel one half million dollars out of H. L. Hunt." He has recently endeavored to obtain a substantial contribution from the Firestone Tire and Rubber Company, but the results are not known.

b6
b7C

According to Schwarz's records, the Schick Safety Razor Corporation, as distinguished from [redacted] who has been instructed that he may not use corporate funds in support of Schwarz, contributed to Schwarz \$139.50 in 1960 and \$4,315 in 1961. [redacted] of Chicago contributed \$1,000 in 1961 and the Rotary Club of Los Angeles contributed \$4,437.37 in 1961. The largest contributor is the Glendale Trust Company of Philadelphia which contributed \$40,000 in 1958-60, \$45,000 in 1961 and \$40,000 as of 6-25-62. It is noted that Schwarz has created a number of bank accounts to receive various sums of money and careful records are kept by Schwarz to determine which of his promotions bring in revenue.

Among other things, he charged in his 8-18-62 rally at Los Angeles that New York had "become a city of boycott, bigotry and fear because of the efforts of nationally known Jewish organizations." He claims not to be able to understand this since he has stood against the doctrine that communism is a Jewish plan. He currently has plans for a very large rally at an unspecified place and date where former President Eisenhower will be the "piece de resistance." [redacted] of the Schick Company will work on the idea and Nixon would be the go-between. Schwarz feels that with Eisenhower on the platform, he could no longer be tagged as the "radical right." He feels the label of being a right-wing extremist has hurt him.

Whoever prepared this report on Schwarz is probing into a group in Whittier, California, which operates under the name of Drive Against Communism Committee, "which raises money for the CACC. Money it raises is deposited in a Long Beach, California, bank to the name of [redacted] who lives in Mexico and is close to the "Los Dorados" or the "Gold Shirts." Schwarz is said to be nervous about this operation.

Calif.
Bufiles indicate that [redacted] was born in Los Angeles in [redacted] of Mexican parents and was the subject of a Selective Service investigation in [redacted] for failure to report for induction. The U. S. Attorney declined prosecution and he subsequently enlisted in the Marine Corps, becoming quite a hero. He was featured in Hollywood movie, "Hell To Eternity." In 1961, he was instrumental in establishing the "Drive Against Communism" with the backing of west coast businessmen. He is reportedly a name-dropper and opportunist. In May, 1962, he was sent an in-absence reply and his request for an autographed copy of "Masters of Deceit" for another individual was ignored. "Los Dorados" or "Gold Shirts" was reportedly a name taken by a group allegedly organized in 1934 to combat communism in Mexico. Most of the leaders of this group were members of the "Los Dorados" or "Gold Shirts" of Pancho Villa's Army. The organization was declared illegal in 1936, but was reorganized in 1939 and has been vociferous in its attacks on communism. It has been accused of having fascist tendencies.

The work sheets of the Christian Anti-Communism Crusade reveal financial data for the year 1961, requiring detailed analysis by a qualified accountant. One puzzling revelation stemming from this material is the number of bank accounts which Schwarz has created to receive various sums of money. The work sheets also show careful record-keeping by Schwarz to determine which of his promotions bring in revenue.

There is some indication that there has been a considerable amount of transferring of monies from one account to another, but just what this signifies is hard to say. It would also appear that Schwarz has a crew that has been making a special effort to obtain large donations from wealthy individuals or charitable foundations.

Schwarz maintains a carefully compiled mailing list. A color tab system is employed to break down the file according to contributions and professions. For example, a blue tab is used for contributions of over \$1,000, a green tab identifies a life member, yellow is used for pledges running to any amount under \$100, white is used for physicians, and brown for ministers, magazines and newspapers.

It is interesting to note, according to the Schwarz records, that the ~~Swedish Safety Guard Corp.~~, as distinguished from [redacted] contributed \$19,500 to Schwarz in 1960 and \$4,315 in 1961; [redacted] of Chicago contributed \$1,000 in 1961; and the Rotary Club of Los Angeles is listed as having contributed \$4,437.37 in 1961. The largest CACC contributor according to these records, is the Glendale Trust Co. of Philadelphia, Pa., which is recorded in Schwarz' files as having contributed \$40,000 in 1958-1960, \$45,000 in 1961 and \$40,000 as of June 25, 1962.

b6
b7C

First-hand observation at the Schwarz headquarters makes it clear that there is a constant preoccupation with money and a hard, crass approach as to just what kind of operation will bring in the most revenue at the CACC headquarters.

Throughout the country there seems to be a consistent pattern of failure in the Schwarz study groups which have been created in the wake of the Crusade. Letters expressing disappointment and disillusionment, the reluctance of people to attend study groups, to read the materials, etc. after Schwarz has departed, is everywhere evident.

There are apparently not as many "substantial contributors so far in the first 9 months of 1962 as there were in a corresponding period in previous years."

The Schwarz headquarters staff is carefully culling its mailing list and eliminating the names of those who have not contributed. Schwarz apparently doesn't tolerate "free-loaders" for any length of time. The sale of Schwarz

#254,540

SP-8BJ/RBG

literature (books, pamphlets, etc.) has dropped off considerably. The Morris Printing Company of Waterloo, Iowa, the firm that prints the Schwarz material, has complained about the fall off in the business they have been doing with the Crusade. Schwarz admits that there has been a substantial decrease in the sale of his literature which he explains away by writing that "the vicious campaigns of slander and hate have had their effect" ... and "orders have dropped alarmingly."

Schwarz has been popping in and out of the Long Beach headquarters recently, and appears to be tired, exhausted, haggard and irritable.

In a Christian Anti-Communism Crusade rally held in Patriotic Hall in Los Angeles on August 18, 1962, Schwarz charged that New York had "become a city of boycott, bigotry and fear because of the efforts of nationally known Jewish organizations." He told the rally that "many Jewish groups became unusually agitated when they learned I was coming to New York." He could not understand why, "since I have always stood against the doctrine that communism is a Jewish plan. Nevertheless several Jewish groups got together 'to formulate plans.'" "Operating from an underground position," he said, "a nationwide boycott was organized." He also alleged at this meeting that "4 frightened members of the Jewish War Veterans secretly came to his room and one prominent rabbi got with him in secrecy" presumably to express their horror at the Jewish boycott. Schwarz also told the rally that "I shall always be grateful to [redacted] for bringing the attack into the open."

Back at the Long Beach headquarters after the August 18 rally, Schwarz was exhausted physically; only when the subject turned to money did he become stimulated and alert. A tone of panic crept into Schwarz' voice when he related that things were not going well in New York and that New York had cost more than he had ever anticipated. He complained that his more generous clients had been scared off and he mentioned in particular, Richfield Oil. He complained that the money coming in has been in small amounts and that his "general fund" is almost completely empty. On the other hand, he indicated that he had just received "\$2,000 from the Pews."

Schwarz is considering drastic curtailment or dropping altogether his newsletter because it doesn't bring in enough revenue.

Schwarz has plans for a big, big rally, date and place unspecified, where the "piece de resistance" will be Dwight David Eisenhower. Schwarz indicated that [redacted] had consented to work on the idea and that Nixon would be the go-between. When Schwarz speculated on his plans to get Eisenhower, he said "Imagine Eisenhower on the platform. Who could ever use the radical right tag on him again?" Schwarz is fighting desperately to dodge the label of being a right-wing extremist which he feels has hurt him, presumably with some of his business supporters.

b6
b7C

Schwarz tried unsuccessfully to wheedle one-half million dollars out of H. L. Hunt. Recently Schwarz made a big pitch to get a substantial contribution from the Firestone Tire and Rubber people. The results are not yet known.

A puzzling bit of information which we are now probing: A group operating under the name of "Drive Against Communism Committee", Whittier, California, raises money for the CACU. The money it raises is then deposited by the CACU in a Long Beach, California bank to the name of one Guy Gabaldon (Gabaldon currently lives in Mexico and is reported to have a close working relationship with the "Los Beranos" or the Gold Shirts). Our source says that Schwarz is very nervous about this operation. As recently as August 22 a deposit of \$400 was made to this account.

At the end of August, the Board of Directors of Schick instructed [redacted] that he may not use corporate funds in support of Schwarz. However, this edict has not lessened [redacted] support and that from now on he will pay for it out of his own pocket.

We have received a Christmas card from [REDACTED] the printing on it indicates she has made a donation to the Christian Anti-Communism Crusade in the Director's name. She has written personal remarks on the card which praise the Director highly.

Bufiles contain no references identifiable with [REDACTED] The Bureau is, of course, well aware of the activities of Dr. Fred C. Schwarz and his Crusade.

A good possibility exists that the Crusade may desire to utilize the Director's name in its publicity by stating he is a donor. It is not felt appropriate to contact [REDACTED] regarding this as it is felt this could result in embarrassment to the Bureau. Also, it is felt we should wait until the Crusade actually does use the Director's name before we take any direct action with it. Since [REDACTED] is responsible for placing the Director in this position, no letter to her over the Director's signature is being prepared. Since she probably did so in good faith, an acknowledgment over Miss Gandy's signature is deemed appropriate.

RECOMMENDATIONS:

(1) That we not take any action regarding the donation in the Director's name to the Christian Anti-Communism Crusade until that organization attempts to use the Director's name as an endorser.

(2) That the attached letter over Miss Gandy's signature to [REDACTED] be approved and sent.

Dear [redacted]

Your letter postmarked December 21st has been received, and it is encouraging to know of your desire to help preserve our American democracy.

Communism represents a most serious threat to our way of life. The responsibility of protecting and preserving the freedoms we cherish will soon belong to the members of this generation of youth who will be the leaders of tomorrow. The most effective way to fight communism is to learn all you can about it. Do this by pursuing appropriate courses of study and by reading books on this subject which are available at your local library. Thus equipped, you will know and understand the true nature of communism. This knowledge is most essential, for it helps us to recognize and detect the communists as they attempt to infiltrate the various parts of our society.

It is also important to learn all you can about our wonderful country and its history. Under our Constitution we have a system of justice and individual opportunity, and it is important that we exhibit in positive ways the superiority of our form of government over any foreign ideology.

My Dear Mr. Hoover;

Recently I attended a lecture presented by Dr. Fred Schwarz head of the Christian Anti-Communist Crusade.

Before I arrived at the lecture I had an idea that I was going to hear some finatics talk about communism with a raised voice. (an impression derived from the newspapers) When I got to the lecture center I soon realized that this would not be the case. While looking at a few priced pamphlets a Mr. Brown (head of local chapter) approached acting like the type of guy which might be the ideal dad or boy scout leader. He then gave me many free pieces of literature, reaching a total of over 15\$, with an explanation that it is most important that the young be learn of his cause because 20 years from today we will be fighting the cause alone. In other words I got the entire line. After this I still received more propaganda in the form of a free ticket to a dinner rally party that night. Curiosity made me attend it (the dinner was really worth 5\$!)

Many of the other helpers around the auditorium also tried to tell how important it was that as a member of the younger generation I dedicate my spare time to the cause "as they had. From this I got the impression the Dr. Schwarz has a crew of very loyal workers.

The lecture was also a disapointment, that is it seemed to be in good taste and was not subversive as I had excepted. After the lecture & dinner, I will have to admit, that I couldn't quite see what was wrong with the organization. Then, on the bus home "the wheels" started to turn." I remembered how many Priests and Jewish leaders has critisized the organization on several accounts. Then I began to wonder why the name Christian was used at all. The only conclusion I could disolve was that this organization was led by a executive board of demagogues. A group of men who were using communism, a popular subject, as a method of gaining control of many peoples support. Since the tactics they used were not Democratic I also concluded that they might advocate communism once in power. Something like father Coughlan tried about 20 yrs ago which was almost successful.

This story that I have told is leading up to one question. There seems to be many one day or one week seminars given by these organizations that qualified citizens oppose; but are there any patriotic ones. and if so where? I don't mean groups that have a constant large following like the American Legion but a place where lectures are held if someone suddenly wishes to hear such a subject discussed. What bothered me was that there were many average citizens present possibly for the first time. After attending several lectures they might become active members of the organization. Wouldn't it be better to get them to join some patriotic organization on the same order? One that does not talk about general problems but rather communism.

Another thing I wonder about is that maybe our younger population is taken under the attitude "that sure they will grow up to love Dem." These groups seem to be plugging very hard to get young blood and forming minds to join them. What can I do to help prevent this and learn more about such organizations to protect others. In plain language what can I do to help preserve our American Democracy? I am not asking for a total answer for it would be & should be somewhat personal.

This is one question that many men, of high position, that I have written to have ignored. I hope that you will answer this for me as our nation's communist fighter.

Respectfully,

Shown above, left to right, are Dr. Walter Kerr, founder and director of Youth Crusade for God and Freedom of Tyler, Harold Payne; and J. T. Adams, a Sulphur Springs, Texas choir director of Youth Crusade programs which have been held in East Texas and in the State Fair Cotton Bowl in Dallas.

Avocation or Vocation

FURNITURE MAN WAGES WAR AGAINST COMMUNISM

What started out to be an avocation a little over two years ago, has almost become a vocation for Harold Payne, Caddo Mills, Texas, furniture dealer.

His activities have centered around the organization of Freedom Forum youth and adult rallies. He says he received his inspiration from a Freedom Forum meeting in Tyler some time ago. Since that time he has helped to organize dozens of Freedom Forum rallies and schools, not only for young people but for adults as well. Specifically he has spoken before 17 high school groups, 29 youth groups, including YMCA, YWCA, Future Farmers, and others. He has spoken to 23 service groups, 13 women's community groups, 11 PTA and pre-school mothers' organizations in a wide area of northeast Texas and Oklahoma.

Harold Payne is associated with his brother, Guy Payne, in a Caddo Mills enterprise embracing furniture, foods and appliances, which is spread over almost a block of that town's business area. In addition to the time spent on freedom forum work, he manages somehow to assist his brother in their big retail outlet.

Payne is dead serious about the maintenance of free enterprise, individual liberty and freedom of speech. He says his greatest fear is that creeping socialism will weaken our country's will in its fight against world communism. He says, "I have felt for a long time that preservation of free enterprise is faced with many new

forces that will destroy it unless the individual businessman takes a strong stand to preserve it. The independent retailer is one of the strongest forces in America today. If he is rooted out by socialistic moves from Washington and Austin, then America will have lost a great asset for the preservation of freedom in America. Quoting from J. Edgar Hoover's address recently to the American Legion: 'We cannot defeat communism with socialism, nor secularism, nor with pacifism, nor with appeasement or accommodation.' He warned, 'We can only defeat communism with true Americanism.' Free enterprise and adherence to the Constitution in our great country, founded 'in God we trust,' has brought about the highest living standard ever known to mankind."

Payne started his endeavor by placing an advertisement in the Greenville Herald-Banner to alert the 39,000 residents in that county. He soon found himself much in demand as a speaker and since that time has made over 150 personal appearances. His greatest desire is to encourage other businessmen to give up a portion of their time and energy in helping to educate and motivate people into action. He says that after 20 months he is gratified with the response. He has been invited to speak to the same group for the second and third times. Payne is amazed that, although he has taken a tremendous amount of time away from his business, it has not suffered in sales volume.

EDITOR'S NOTE: Harold Payne will be happy to receive all inquiries on any aspect of the adult Freedom Forum, including how to organize, how to secure speakers, handling of publicity, and how to set up Youth Crusade rallies. He is available when his busy schedule will permit him to speak before local groups, clubs, churches, youth organizations, etc. He may be contacted by writing Payne Brothers, Caddo Mills, Texas. His phone number is LA 7-2366.

He has worked closely with Dr. Walter Kerr of Tyler, who is the founder and director of the Youth Force for God and Freedom. Payne thinks that one reason why some businessmen are not too willing to give their time and energy in helping to educate our people is probably because they are concerned about what the public attitude toward them might be.

He says his future activities will be to broaden the Freedom Forum program in the hope that it will spread throughout the country. He emphasizes the fact that the objectives are purely non-partisan and non-denominational.

One fellow merchant, commenting on the whirl wind type of effort the Caddo Mills' man has made, says "if we had 100 so dedicated and so willing to unselfishly give of their time, it's hard to say what the results might be."

Dear Mr. Hoover:

I have recently read two anti-Communist books; namely, "You Can Trust the Communists," by Dr. Fred Schwarz, and "The Star Over the Kremlin," by William P. Strube, Jr. Both of these men are connected with the Christian Anti-Communism Crusade, P. O. Box 66422, Houston, Texas, and I feel sure your office is no doubt acquainted with them and their work.

As I am interested in this work and the fight against Communism, I feel it is necessary to check the source of my information. Would you please advise me as to the reliability and/or legitimacy of this particular organization and whether their views are sanctioned by our government.

I would also appreciate receiving any literature on this subject which may be available from your office for distribution. Thanks very much for your assistance.

I have received your letter of April 9th and want you to know how much I appreciate your kind comments concerning our work.

Although I would like to be of service, the FBI, as an investigative agency of the Federal Government, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. I regret we are unable to help you with your questions but trust you will understand the necessary reasons for this policy.

I have urged our citizens to educate themselves concerning the true nature of communism in order that they will be able to resist its eroding influence. The best way to fight communism is to learn all you can about it so you will be able to recognize this evil conspiracy wherever it appears. At the same time, opposition to communism must be careful and constructive, and kept within the due process of law.

Enclosed is some literature I hope will be of interest to you. Perhaps you will also want to read my books, "Masters of Deceit" and "A Study of Communism," which will give you an insight into communist activities. Copies should be available at your local library.

Dear Mr. Hoover:

I have just read your report to the Eighty-Seventh Congress on the communist partyline. It was a very informative report and I would like to express my gratitude to you for your dedication to the Federal Bureau of Investigation and to fighting the communist menace.

I am interested in being for some positive measures so that we can better prevent the spread of communism. Could you give me a list of organizations which are worthy of support in this cause.

Recently I attended a seminar conducted by William Strube, Jr. of the Christian Anti-Communism Crusade. He seemed to know a great deal about communism and to be dedicated to fighting it. This was my first contact with this organization and I would like to know if it is doing an effective job and worthy of support.

Thank you very much.

By outgoing of 9/17/62 (in absence), he was advised that we have no facilities for selling "A Study of Communism" and the check he forwarded was returned. A field check made at that time determined he is anticommunist and belongs to the Hunt County Freedom Forum, a branch of the Christian Anticommunist Crusade. Our last outgoing was dated 1/10/63 and expressed appreciation for this high regard for "A Study of Communism." The editorial deals with the present-day struggle with communism and recommends citizens learn all they can about the menace so they will be better prepared to face it. In this communication, he suggests reading "A Study of Communism."

A GROCERMAN'S REFLECTIONS ON COMMUNISM

By HAROLD PAYNE

America is at War! At war with the forces of International Communism. We did not create this struggle. Rather, it was set in motion in 1917 when the Communists in Russia overthrew their government.

With a dedication to purpose, "world domination, by world revolution," their forces have grown to 41 million dedicated members in the short span of 46 years. According to authorities the Communists now have up to 1 1/4 million persons enslaved—quick mathematics shows this to be over one third of the world's population.

Lenin said that the last steps of the take-over of the world would be encirclement of the last bastion of capitalism, the United States of America. He further stated that they would not have to attack—that America would fall like an overripe fruit into their hands.

Speaking to over 400 students at Yale University on February 13, 1963, the American Communist Party's General Secretary, Ex-con Gus Hall stated, "The Communist Party of America did not advocate the violent overthrow of our form of government, instead, just a "peaceful transition."

This same Gus Hall, that was scheduled to register under the new law which went into effect in late 1961, continues to speak to college, and university groups all over America. According to F.B.I. Chief Hoover, on one campus alone a crowd of almost 12,000 turned out to hear him.

With the Communist time table advancing as planned, we can still win this war for survival—but—only if we first understand we are in a war—then undertake to learn what, and whom we are fighting, and how this enemy fights. We must learn the objectives, strategy and tactics of this vicious enemy. Only then, will we be prepared to combat him and defeat him.

May I suggest to every freedom loving person reading this article that you select a good book on Communism and proceed to inform yourself first

Memo. from Editor:

Harold Payne, Caddo Mills, is writing a series of articles for Food Herald about what businessmen can do against the evils of Communism. Mr. Payne will be a guest speaker at the annual convention of the Retail Furniture Association of Texas, Inc. to be held in Corpus Christi May 5-7.

hand on the many aspects of the Communist conspiracy.

Mr. J. Edgar Hoover's new book, "A Study of Communism" released in October, 1962 is documented, very thorough, and a source you can quote in writing or speech, with good acceptance.

As you become informed, you will find Communism to be much like a giant octopus, with its tentacles reaching into every aspect of life. Communism is at war with the free peoples of the world on the economic, psychological, political, scientific and educational fronts.

It is many times expressed as a spiritual war in which the satanic forces of evil, Communism and its slavery, are pitted against the forces of God and His freedoms.

As we become informed it becomes our responsibility to help inform others. Effective individual and group action by citizens is unreachable without knowledge. Without knowledge there is nothing to work with, because action must be based on fact.

As individual citizens in our respective communities, we have a much stronger voice than we usually suspect. And it would be tragic indeed if this freedom that we enjoy today should vanish for the failure, and lack of courage on our part to stand up and speak up. We must speak up and out, not only against Communism, but against all evil that we find about us, such as in our local communities, and local, state, and national government.

The Communists have said we would rot from within, and every step toward moral decadence weakens us in our fight against this great menace.

We have not only the right to dissent in affairs of government that are contradictory to our Constitution, but it is our responsibility to do so. Our great Constitution was conceived and written by God-fearing men with dedication to the cause of Liberty and freedom of mankind. It has been preserved by men of wisdom, with a great love for their country who are willing and honored to pay even the supreme sacrifice to preserve it. It gives me a great cause for alarm when men in high places consider our Constitution no longer practical. According to the supposition of many, it was written for America of another age.

What do you think???

Plentiful Foods
MONTHLY LIST

Beef Rates USDA Plentiful
Tag for April

Beef rates the U. S. Department of Agriculture's plentiful tag this April for the first time since October, 1961.

Eight other major foods are plentiful, too, according to surveys of both local and national stocks just made by the USDA's Agricultural Marketing Service.

Pork and carrots stand out as the foods to feature, since supplies promise to run far above usual trade needs for April.

The fall pig crop, 5 per cent larger than the previous year, is coming to market now. So pork production is expected to hit record levels with prices dropping to the lowest since 1960.

Carrot production is up 16 per cent from last year and is second only to the record 1960 production. Only other vegetable on the April plentiful list is potatoes.

There are no plentiful fresh fruits for April but stocks of canned freestone peaches are nearly as heavy as last year and prices are lower.

Both milk and eggs continue plentiful as spring production moves toward the peak.

Canned ripe olives, peanuts, peanut butter and other peanut products are in very good supply.

Retailers will have the support of intensified merchandising from both the trade and USDA in moving these April plentiful foods.

GAMBLE-JACKSON NAMED HAZELWARE GLASSWARES REPRESENTATIVE IN TEXAS

The Gamble-Jackson Company, 1432 Dallas Trade Mart, Dallas 7, Texas, has been appointed sales representative in the state of Texas (excluding El Paso) for the Hazelware glasswares line of Continental Can Company. The firm, in business for eight years as manufacturers' representatives, will call on all types of retailers who sell glassware products.

Gentlemen:

I am an American Citizen resident in Jamaica for nine years. As such I have great interest in local affairs and the way that the United States appears in the eyes of the people here.

Recently, a group who call themselves the Christian Anti-Communism Crusade (Director - Fred C. Schwartz - Long Beach, Calif. and Huston Texas) have been active here. Their methods and manner indicate that they may not be all that they represent. Friends of mine who I consider responsible tell me that their reputation in the United States leaves something to be desired.

If this group proves to be what it seems to be they can only hurt the United States in the eyes of the people here.

Is it possible for you to give me any information on this organization that would help us to know more about them before we get involved with them?

Any help that you can give will be appreciated.

Dear [REDACTED]

Your letter dated October 1st and enclosure have been received.

In response to your inquiry, I am enclosing a copy of the most recent list of organizations which have been cited by the Attorney General as subversive, pursuant to Executive Order 10450. I am also sending you other publications on the subject of communism I hope you find of interest, and your enclosure is being returned. In the event you are not already familiar with them, you may wish to refer to my two books entitled "Masters of Deceit" and "A Study of Communism." The first deals with the history, aims and over-all tactics of the communist apparatus, and the second describes the development and expansion of the communist movement throughout the world. You probably can secure copies of them from your local public library.

With reference to your other request regarding the Christian Anti-Communism Crusade, the FBI is strictly a fact-gathering agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. Please do not infer from my inability to be of aid either that we do or do not have data in our files concerning the group in question.

Sincerely yours,

J. Edgar Hoover

Dear Sir:

Enclosed please find a copy of a certificate that I was required to sign before becoming an employee of a local company. I had no objection to signing it. All hand writing in ink on the enclosed certificate is mine and this is a copy that was given to me at that time.

Could you please tell me if there are any additions, deletions, or revisions to this list according to your records?

This letter and it's contents are entirely my own idea and for my own use in an effort to learn more about organizations affiliated with communism.

I would especially appreciate it if you would send what information you might have on the group called: Christian Anti-communism Crusade, Box 66422, Huston, Texas.

Thank you in advance for your co-operation.

Respectfully yours,
